RELAX! ...

**You've got what it takes,
to do what you were born to do.**

Trying to sneak a ball past Akim
is like trying to sneak sunrise past a rooster.

One of my favorite graphic recording experiences was recording for Michael Hyatt as he addressed a conference on developing your PLATFORM.

Graphic recording drawn live during an association retreat for coaches. Jennifer Britton, speaker.

Ask me about Graphic Recording for your meetings, workshops, seminars or association meetings.

As a Professional Life Coach I will often graphic record coaching sessions with clients to help them visualize their own thoughts and ideas.
